Allowable Subject Matter

1. Claims 1-25 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With respect to claim 1, in addition to other elements in the claim, the prior art does not teach first and second transistor pairs.

With respect to claim 12, the prior art does not teach erasing the first floating gate element, wherein erasing the first floating gate enables a first p-channel floating gate transistor that includes the first floating gate element and disables a first n-channel floating gate transistor that includes the first floating gate element

With respect to claim 25, the prior art does not teach means for selectively coupling either a first p-channel transistor or a second n-channel transistor to an output terminal; and means for selectively coupling either a second p-channel transistor or a first n-channel transistor to the output terminal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

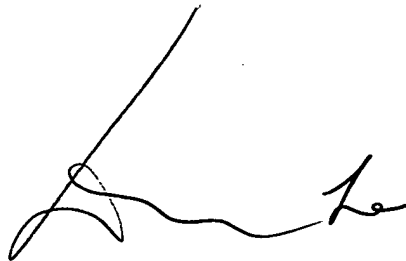

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Don P. Le whose telephone number is 571-272-1806. The examiner can normally be reached on 7AM - 5PM.
